SUMMARY

Driven by enthusiasm and curiosity, I have been actively involved in technical activities since childhood and have a strong track record of leading and contributing to impactful projects and other activities.

PROJECTS

AutoSage – AI-Powered Vehicle Expert Tool

- AutoSage is an application that provides comprehensive vehicle insights using Gemini Flash AI, offering detailed specifications, user reviews, and expert comparisons for new two wheeler and four-wheeler vehicles. It enhances the vehicle selection process by providing real-time updates on automotive trends and innovations.
- Features AI-powered recommendations, up-to-date vehicle market trends, and an intuitive user-friendly interface to help users make informed purchasing decisions
- Tools used – React.js, JavaScript, Google Gemini AI, Git.
